

11th annual conference SEATTLE GNU/LINUX

November 3rd & 4th, 2023
In-Person & Virtual

<https://seagl.org>

SeaGL is a community-focused free/libre/open source software, hardware, and culture event in Seattle.

This year we'll meet **in-person** again, with the option to attend remotely for those who can't make it!

Come enjoy talks about:

Systems and Platforms,
Open Source Careers,
Community and
Culture, Machine
Learning and Big Data,
Security and Privacy,
Languages and Tools,
Hardware and others.

ATTEND THE CONFERENCE
