# 11th annual conference
SEATTLE GNU/LINUX

November 3rd & 4th, 2023
In-Person & Virtual

https://seagl.org

SeaGL is a community-focused free/libre/open source software, hardware, and culture event in Seattle.

This year we'll meet **in-person** again, with the option to attend remotely for those who can't make it!

Come enjoy talks about:

Systems and Platforms,
Open Source Careers,
Community and Culture,
Machine Learning
and Big Data,
Security and Privacy,
Languages and Tools,
Hardware, and more!

ATTEND THE CONFERENCE
No Fee & No Registration required
