11th annual conference
SEATTLE GNU/LINUX

November 3rd & 4th, 2023
In-Person & Virtual

https://seagl.org

SeaGL is a community-focused free/libre/open source software, hardware, and culture event in Seattle.

This year we'll meet **in-person** again, with the option to attend remotely for those who can't make it!

WANT TO HELP US OUT?

You can contribute in many different ways such as joining the **all-volunteer staff** and becoming part of the community!
